

Company Profile

Introduction of Safetyware Group

Safetyware Group Berhad is a leading integrated safety and health solutions provider with over 20 years of experience in the field. As a public listed company on the LEAP Market of Bursa Malaysia, we are committed to ensuring the well-being of its customers through the provision of high-quality products and services, in line with our corporate mission: Enabling Peace of Mind with Integrated Safety & Health Solution. Our commitment to excellence is reflected in our certifications to quality management systems including ISO 9001, ISO 13485, and GMP.

We are involved in a wide range of businesses, including manufacturing, distribution and trading, services, and enterprise software development, which allows us to provide complete OSH solutions through 9 subsidiaries across Malaysia, Singapore, Australia and Thailand.

Safetyware Group operates 2 factories in Malaysia, producing a comprehensive range of personal protective equipment (PPE), hygiene and sanitization solutions.

We manufacture the products under our own brands including Safetyware, RHINO SHOE, RedHippo, QuickSign and Cleanware, while we also provide contract manufacturing (OEM) to international customers. Our factories are equipped with state-of-the-art automated machinery, ensuring high quality and consistency in our manufacturing processes.

In our distribution & trading division, we represent several world-renowned safety product brands such as Sundstrom of Sweden, MSA of USA, Ultitec of Taiwan, KStrong of USA, and Superior Glove of Canada, among others.

With our focus on creating safe and healthy workplace, we are actively seeking Distributors who share our passion for enhancing workplace safety and are committed to making a positive impact in the OSH industry.
